RE: Alfredo Juarez, 20-120 — Motion under Supreme Court Rule 30.4 to
Extend the Time to File a Brief in Opposition

Dear Mr. Harris:

This office represents the State of Colorado in the above-captioned case.

Pursuant to the Court's request of September 15, 2020, our office is required to file a response to Mr. Juarez's petition for writ of certiorari on or before October 15, 2020. Pursuant to Supreme Court Rule 30.4, I write to request a 60-day extension of time, to and including December 14, 2020, within which to file a brief in opposition.

This extension is necessary for the following reasons. Additional counsel will be participating in drafting and filing the brief in opposition, and more time is required to adequately prepare the brief and respond to the issues raised. In addition, counsel are currently litigating various matters before this Court, the Tenth Circuit Court of Appeals, the U.S. District Court, the Colorado Supreme Court, and the Colorado Court of Appeals. Due to briefing and other deadlines in those matters, counsel requires the extension to ensure adequate time and attention may be paid to the issues raised in the petition.

Counsel of Record for Petitioner has indicated that Petitioner does not object to the requested 60-day extension of time.

In compliance with Supreme Court Rule 29, enclosed is a separate proof of service evidencing service of this Motion on counsel for Petitioner.

Thank you for your attention to this matter.

Sincerely,

FOR THE ATTORNEY GENERAL
